***Crane Sheds and Summerhouses*** have been making timber buildings in Norfolk for over 40 years; we are still a family run business. With little advertising over the years, we are proud to acknowledge that much of our business is through word of mouth. We are a market leader in producing the highest quality timber buildings and our name is synonymous with strength, style and a personal service where the customer always comes first.

## Delivery and Installation

Our experienced and professional fitters deliver and install all our buildings free of charge.

As our business is very much dependant on our reputation in providing an excellent product and service our customer care is exceedingly important to us, and you will find that we very much pride ourselves on this. From design stage through to installation providing the best possible service is our number one priority.
